

Queen Ginkgo 120 - Neurology: Brain Protection & Cognitive Preservation

THE PROBLEM

Brain Hypoxia & Cognitive Decline

BRAIN FACTS

Brain consumes 20% of body oxygen

Brain requires 25% glucose

Cannot store glucose or oxygen

Needs constant supply

CONDITIONS ASSOCIATED WITH BRAIN HYPOXIA & METABOLIC IMPAIRMENT

Alzheimer's Disease

Vascular Dementia

Ischemic Stroke

Mild Cognitive Impairment

Age-Related Cognitive Decline

KEY PROBLEM:
LOW OXYGEN + LOW GLUCOSE = NEURONAL DEATH

MECHANISM OF ACTION

OXYGEN DELIVERY

Improves cerebral blood flow and microcirculation, enhancing oxygen transport to brain tissue and supporting optimal neuronal function.

GLUCOSE METABOLISM

Optimizes glucose uptake and utilization in brain cells, ensuring efficient energy production and reducing energy deficits.

MITOCHONDRIAL PROTECTION

Protects mitochondrial integrity and function, supporting ATP synthesis and preventing energy failure in neurons.

ANTIOXIDANT DEFENSE

Neutralizes free radicals, reduces oxidative stress and inflammation, and protects neurons from oxidative damage.

RESULT:
**BETTER OXYGEN + BETTER GLUCOSE +
HEALTHY MITOCHONDRIA = NEURONAL PROTECTION**

CLINICAL OUTCOMES

IMPROVED MEMORY & COGNITIVE FUNCTION
Enhanced attention, learning, and recall.

SLOWED COGNITIVE DECLINE & DEMENTIA
Helps slow progression of neurodegenerative changes and preserves cognitive abilities.

ENHANCED NEUROPROTECTION & DAILY FUNCTIONING
Supports independence, quality of life and overall brain health.

DOSAGE
120MG

FREQUENCY
1-2x Daily

DURATION
8-12 Weeks

SAFETY
Excellent

Queen Ginkgo

One Multi-Specialty Product with Unlimited
Efficiency You Can Trust

STANDARDIZED EXTRACT 24% Flavone Glycosides 6% Terpene Lactones

Golden Queen Company
Address: 30 Adnan Al Madani Street from
ahmed Orabi - Elmohandseen

Tel: 33044944

Mob: 01000084951

Fax: 33044946

Queen Ginkgo

1) TINNITUS
Persistent ringing, buzzing, or humming sound in the ears.

2) VERTIGO/DIZZINESS
Loss of balance, spinning sensation, disorientation.

3) OTITIS MEDIA
Inflammation or infection of the middle ear, often following colds or allergies, leading to pain and hearing impairment.

SYMPTOMS

Ringing in ears

Buzzing sounds

Hearing loss

Dizziness

Balance problems

Ear pain

Nausea

Headaches

Concentration difficulty

Fatigue

Discover the Natural path to cognitive clarity and Vitality

Queen Ginkgo 120 mg

Powerful antioxidants protect inner ear cells, cochlea, and middle ear tissues from damage. Improve blood flow to the inner ear and vestibular system, enhancing oxygen delivery to affected tissues. Reduce inflammatory mediators and fluid accumulation in inner ear and middle ear. Supports neural protection and vestibular function for balance and hearing.

Better Inner Ear Circulation + Reduced Inflammation + Infection Control = Complete Relief

DOSAGE
120MG

FREQUENCY
1-2x Daily

DURATION
8-12 Weeks

SAFETY
Excellent

Queen Ginkgo 120 Cardiovascular Health : Blood Flow & Vascular Protection

THE DISEASES

Atherosclerosis

poor Peripheral circulation

Intermittent claudication

Reduced cerebral blood flow

Hypertension

Diabetic angiopathy

Venous insufficiency

⚠ Reduced Blood Flow= Tissue Damage & Complication

Reduce oxidative stress by neutralizing free radicals and protecting blood vessels from damage.

Improve microcirculation by dilating blood vessels and enhancing blood flow to tissues.

Block Platelet Activating Factor (PAF) to prevent platelet aggregation and reduce abnormal clotting.

Protect endothelial cells, reduce inflammation, and support vascular integrity and elasticity.

Queen Ginkgo 120 mg

Reduced plaque + Better Circulation = Cardiovascular Healing

BENEFITS

- ✓ Improved blood circulation
- ✓ Reduced arterial plaque
- ✓ lower blood viscosity
- ✓ Reduced leg pain
- ✓ better oxygen delivery
- ✓ Improved exercise tolerance
- ✓ Reduced cardiovascular risk

DOSAGE
120MG

FREQUENCY
1-2x Daily

DURATION
8-12 Weeks

SAFETY
Excellent
